Module 7: Developing Prompt Intelligence:
Introduction to Prompt Engineering

- [One Useful Thing](#)

- ["The Cognitive Revolution" | AI Builders, Researchers, and Live Player Analysis](#)

- [Machine Learning Street Talk (MLST)](#) - This one's very technical but just about the best podcast for anybody who's interested in going deep.

- https://x.com/drjimfan?s=21

- https://x.com/_akhaliq?s=21 - This account posts cutting edge papers so you can get a sense of what's coming.

- https://christianulstrup.com - Christian Ulstrup on LinkedIn

- [christian (@curious_vii) / X](#) - Christian Ulstrup on Twitter

- [Power and Prediction: The Disruptive Economics of Artificial Intelligence](#) - One of the best books in regards to AI and business strategy
